

# Groove and Chill, Wine and Dine...

Lush on Holland Hill is where you seem a world away from the bustling city, but when it's time to hit downtown, you can rush to groove to the heartbeat of Orchard Road, a mere 5 minutes' drive away. Enjoy all that this iconic shopping belt can offer, but if that's not enough, the culinary temptations of Holland Village and the hip ambience of Tanglin Village are also just a short hop away. And when you need to wind down after all that excitement, drop by at nearby Singapore Botanic Gardens where both body and soul can enjoy a time-out from the world outside.
