

Heaven is a Place on Earth.

Open your doors, and step inside your personal living space. Your first delightful surprise will be the generous, luxurious space. Natural light wells in, brightening up each and every room, all made distinctive with eclectic designs. Every room is designed to be a testament to classy, contemporary living that bears the stamp of discerning taste. You will also be pleased that every unit comes complete with exclusive designer fittings that reel with extravagance.

The high ceiling inspires visions of grandeur, and the balcony with ample space will allow you to enjoy the breathtaking sights, at your leisure. A choice of 2, 3 or 4 bedrooms and penthouses offers you, and your family, a perfect fit for your preferred lifestyle.

Don't just find another home. Find one to fall in love with, for a lifetime. Only at Lush on Holland Hill.
